Resolutions and disciplinary actions, which are outcomes of a complaint, shall be clearly explained and fairly administered. All students are guaranteed the right to due process in accordance with Tooele Technical College Student Due Process Policy.

An expression of lack of consent through words or conduct means there is no consent. Lack of verbal or physical resistance or submission resulting from the use of force, threat of force, or placing another person in fear does not constitute consent. A current or previous dating or social or sexual relationship by itself or the manner of dress of the person involved with the accused in the conduct at issue shall not constitute consent. A sleeping, unconscious, or incompetent person cannot consent. A person cannot consent to force causing or likely to cause death or grievous bodily harm or to being rendered unconscious. A person cannot consent while under threat or in fear. Lack of consent may be inferred based on the circumstances of the offense.

All the surrounding circumstances are to be considered in determining whether a person gave consent, or whether a person did not resist or ceased to resist only because of another person's actions."

- 4.2.4.12.** Allegations of harassment are considered to apply to students' use of personal social media tools. If a student is found to be engaging in cyber bullying, harassment, or any similar behavior toward another student or staff member, the allegations will be investigated and dealt with in accordance with the Student Code of Conduct Policy, regardless of whether the infraction is alleged to have happened on College property.

- 4.2.5.** Retaliation against an accuser will not be tolerated and will be adjudicated as a violation of the Code of Conduct.

4.3. Procedures for Violations of the Code of Conduct – Behavioral

All students are guaranteed the right to due process (see Tooele Technical College Student Due Process Policy.).

- 4.3.1.** With exception of academic violations, which may be resolved in the classroom at the instructor's discretion, violations of the Code of Conduct will be reported in writing to the VP of Student Services.
- 4.3.2.** If, upon review of the reported incident, the VP believes a violation to have occurred, he/she will notify the student of the allegations against them and of their right to have an advisor throughout the process who may, but need not be, an attorney (see 4.2.3.5.1 and 4.2.3.5.2 of this policy). The VP will convene a meeting with the student. At this meeting, the student will have the opportunity to review the allegations brought against him/her. The accused will have the opportunity to respond to the charges and ask questions regarding the Code of Conduct and processes.

This meeting may result in one of the following:

- A. Acceptance of Responsibility** – the accused accepts responsibility for the behavior described and sanctions are assigned.
- B. Responsibility Assigned by VP of Student Services** – through preponderance of the evidence, the VP is able to determine whether the student is responsible or not responsible for the described behaviors. Sanctions are assigned, as appropriate, per the Sanctions section of this Policy. Determination is provided in writing within three business days to the accused. If the accused accepts this determination, the decision is final. If the accused does not accept this determination, a hearing panel will be convened, as outlined below.
- C. Further Investigation** – if the VP cannot determine whether the accused is more likely than not to be responsible for the behavior, he/she may continue the investigation and a second meeting will be scheduled once the investigation is completed.
- D. Referral to Hearing Panel** – the VP may decide that the nature or severity of the allegation is such that it is best resolved by a hearing panel.
- E. Failure to Appear/Respond** – If the student does not appear for the meeting or appears but refuses to respond, the VP may determine responsibility and assign sanctions, as appropriate.

4.3.3. Hearing Panels

- 4.3.3.1.** The VP of Human Resources will oversee hearing panels and is charged with ensuring that the panel is procedurally sound. The panel will consist of at least two individuals at coordinator level or higher, one of whom represents the program of the accused. If the allegation is a complaint by an instructor against a student, the VP of Instruction and one coordinator outside the program will be present, in addition to the appropriate program coordinator. The panel will also include two representatives from Student Services, one serving as the student's advocate, and one impartial. Every effort will be made to convene the hearing panel in no fewer than five business days and no more than fifteen business days, unless agreed upon by both parties.

In compliance with the Family Education Rights and Privacy Act (FERPA), the hearing panel shall be closed to the public. Only members of the panel, the accused, his/her advisor, the accuser, and his/her advisor will be admitted to the proceedings, except if the accused or accuser is under 18 years of age, in which case parents of the accused and accuser may be present, as well as a representative from respective high schools. Parents and high school representatives may not participate in the proceedings and are available only to ensure due process.

The hearing is not a court of law. Attorneys are not included as part of the hearing process, except when the violation is considered Sexual Misconduct and the attorney serves as advisor to the accused or the accuser. In either case, the advisor is there to advise the student but may not speak on the student's behalf. The burden of proof rests on the

institution to show, through preponderance of the evidence that the violation of the Code of Conduct did occur.

- 4.3.3.2.** Prior to a formal hearing, unless prohibited by reasonable circumstances, each party shall provide to the hearing committee chair (or hearing committee officer) copies of the documents they intend to submit as evidence and a list of witnesses they intend to call during the normal hearing. This information will be shared with both parties.
- 4.3.3.3.** The VP of Student Services will provide to each panel member and both parties a packet including, but not limited to:
 - A.** The incident report
 - B.** The VP's findings from the initial meeting
 - C.** The accused's response, if any
 - D.** Any supporting documentation for either party (statements from witnesses, etc.)
 - E.** A copy of the pertinent policies
 - F.** Instructions for the Hearing Panel
 - G.** Other instructions or training material pertinent to ensuring due process, including standard of proof whereby students are presumed not to have engaged in a Code of Conduct violation until the College has established a violation by a preponderance of the evidence. These documents need only be in the packs of the panel members.
- 4.3.3.3.4.** During the hearing, the VP of Human Resources shall review the rights and responsibilities of the accused, ensure due process, maintain procedure, maintain impartiality, and answer questions regarding policy interpretation. The VP of Human Resources shall also be responsible for documenting the hearing. While the hearing may be recorded, deliberations of the panel will not be recorded. The panel shall elect a Chair.
 - A.** The accused may have an advisor present. An impartial advisor will be offered by the VP of Student Services. The accused may choose to provide and bring their own advisor in lieu of the impartial advisor. In either case, this advisor is available to confer with the accused but may not speak.
 - B.** The accused may present his/her version of the event or behavior in question.
 - C.** The accused may question the accuser regarding facts pertinent to the outcome of the hearing.
 - D.** The accused may question witnesses and provide rebuttals to statements.
 - E.** The order of presentation shall be first, the accuser; second, the accused; third, closing statements of the accuser; last, closing statement of the accused. The panel may ask questions at any point in the discussion.
 - F.** After both parties have been heard, they shall be excused while the hearing panel deliberates. Depending on the gravity of the case, the VP of Human Resources may excuse parties from campus or ask them to wait. The Chair shall be responsible for delivering the outcome to the student as soon as the panel has made a decision, either in person or on telephone. The Chair will then ensure that a Findings Letter is either hand-delivered or sent through certified mail to the accused.

- G. If the accused does not agree with the decision of the hearing panel, he/she may appeal to the College President. The President will review documents provided to the panel, and shall overturn the decision only if new facts are available that were not available at the time of the panel or there has been a breach in due process. The decision of the President is final.

4.3.4. Sanctions

The College believes in assigning sanctions that are educational and developmental whenever possible. The VP of Student Services, the hearing panel, and the President may assign any of the sanctions listed or a combination of sanctions, or may write a sanction similar in gravity but more appropriately aligned with the violation in question, depending on the severity of the infraction and the conduct history of the accused. This list is intended to provide guidance for sanctioning and is not an exhaustive list.

- A. Warning Letter – notification of the violation and the impact on the College community, as well as indication of how future incidents will be handled. This letter becomes a part of the student’s conduct record.
- B. Educational Experiences – this may be a paper or an exercise whereby the student demonstrates learning that has occurred as a result of the incident and seeks to inform others of the responsibilities associated with the student or employment development process.
- C. Service – the student may be asked to perform service that benefits the College community and is congruous with the resolution of the violation.
- D. Suspension – the student may be removed from any or all College courses for a period of time that is reflective of the severity of the violation. Readmission may be conditional upon certain criteria that are in alignment with the violation
- E. Dismissal – Permanent separation from the College may be recommended only by the VP of Student Services or the hearing panel to the President and requires approval of the President’s Executive Staff. Dismissal will be noted on the student’s transcript.

4.4. Procedures for Sexual Misconduct Violations

The US Department of Education requires specific institutional response to allegations of sexual misconduct as defined in Section 4.2.4.13 of this document.

4.4.1. Reporting

TTECH encourages anyone victimized by sexual misconduct of any kind to report incidents so care and support can be offered. Additionally, this assists TTECH in required statistical reporting to the US Department of Education so we can provide accurate information to current and prospective students. An individual victimized by sexual misconduct is not required to report, but, if he or she chooses to do so, it is up to the person’s preference how it will be reported.

Except where protected by law (clergy, mental healthcare professional, or healthcare professional), third-parties may report allegations of sexual misconduct to the Vice Presidents of Human Resources or Student Services. The College will extend an invitation to those identified as potential victims to offer opportunities for care and support as well as to discuss the College’s processes for responding to such allegations.

The Departments Receiving Reports for the TTECH are:

- | | | |
|---------------------------|--------------|----------|
| 1. Facility Manager | 435-248-1820 | Room 213 |
| 2. VP of Student Services | 435-248-1840 | Room 106 |
| 3. VP of Human Resources | 435-248-1810 | Room 204 |

Reports should include the following:

1. The name of the accused and/or a description

2. When and where the violation occurred, as well as any details that will help establish the circumstances surrounding the incident.
3. Witnesses and contact information, if available.
4. The victimized student's description of desired outcomes or resolution.

Reports are classified by the type of information that can be shared and with whom.

Privileged Reports are those that cannot be disclosed to any other party except if there is a threat to self or others. These types of reports require written consent from the individual and are provided to:

1. Counselors (psychologists, psychiatrists, social works, etc.)
2. Healthcare providers (physicians, nurses, etc.)
3. Clergy (priests, bishops, ministers, etc.)

Limited Confidential Reports are those that are provided only to campus administrators charged with campus safety and investigating sexual misconduct violations. Any member of faculty, Student Services staff, or employee who supervises students who receives report of an incident is obligated to report to the Campus Facility Manager or VP of Student Services. Reporting individuals are bound by confidentiality.

Reports of sexual misconduct will not be reported to the family of the victimized student without the student's consent, except when the student is under 18 years of age, or the student is considered a member of a vulnerable population (e.g., disabled, elderly, etc.), or when the student is receiving emergency care as a result of violence.

4.4.2. Confidentiality

The accuser has the right to confidentiality and may request that identifying information not be included in the report. Such a request may hinder investigation and limit the College's ability to resolve the allegation. Every attempt will be made to observe the wishes and needs of the reporting individual and the victimized student.

4.4.3. Timely Notification

In compliance with federal regulation, reports of sexual misconduct will be evaluated to determine whether timely notification is appropriate. Campus Security and campus administration will determine the risk to the campus community, considering both safety of students, faculty, and staff, and privacy interests of involved parties, and issue an alert, as is appropriate. Names are not included in these reports.

4.4.4. Timeframe Limitations

The College encourages individuals who feel they have been victims of sexual misconduct to report violations in a timely manner in an effort to provide care and preserve evidence. However, there is no time limit for reporting.

4.4.5. College Response

The College will respond to reports of sexual misconduct when any of the following is true:

1. The accused is a student (investigated by Student Services) or employee (investigated by Human Resources);
2. The incident is alleged to have happened on campus, on campus owned or controlled property, on property contiguous to campus owned or controlled property, or at a campus-sponsored activity;
OR
3. The alleged incident occurs off campus but is between two or more TTECH students.

4.4.5.1. The College will make every effort to protect those reporting sexual misconduct throughout the investigation. This may include restricting the accused from various parts of campus and/or contact with the individual reporting the incident and/or the alleged victim.

4.4.5.2. Reports can be made anonymously in writing and should include as much information about the alleged incident as possible, including date, time, and place of the alleged incident,

parties involved (if known) and a description of the behavior that will assist in determining the classification of the misconduct. These reports can be sent to the Facility Manager or VP of Student Services. Anonymous reports will assist in required annual reporting and also allow the Facility Manager to determine necessary actions to protect campus.

- 4.4.5.3.** The reporting individual may opt to withdraw the report of sexual misconduct by submitting a statement in writing to the Facility Manager or VP of Student Services. The Facility Manager or VP of Student Services may or may not opt to pursue investigation of the complaint. The accuser is not obligated to participate in the investigation once he/she has withdrawn the report.
- 4.4.6.** The College is obligated to investigate reports of sexual misconduct and to act according to policy as is appropriate.
- 4.4.6.1.** Reports of sexual misconduct will be investigated by the VP of Student Services and Campus Security (Facility Manager). The accuser may also choose to report the incident to local law enforcement, or the accuser may choose to file charges with local law enforcement and not report to the College. Investigations may overlap, but will not be contingent, one upon the other.
- 4.4.6.2.** Participants in the investigation, including accuser, accused, and witnesses, are notified of the investigation and expected to maintain strict confidentiality regarding all aspects of the allegation, investigation, and proceedings. Failure to maintain confidentiality will be considered a violation of the Student Code of Conduct and will be adjudicated accordingly.
- 4.4.6.3.** Within five business days of the report, the accused will be notified in writing of the investigation. The notification will include:
- A. A copy of the written report, sanitized of identifying information to protect the accuser and/or witnesses, as is appropriate;
 - B. Documentation that was submitted to substantiate the report;
 - C. Copies of relevant College policies;
 - D. A statement addressing retaliation;
 - E. Information about the accused's right to respond in writing and provide documentation supporting his/her response within ten business days of receipt of the report (NOTE: This information will be shared with accuser);
 - F. Information regarding interim disciplinary action (suspension, restriction to certain areas of campus, restriction of contact with accuser, etc.) determined to be appropriate to ensure safety of accuser and/or College community.
- 4.4.6.4.** The Facility Manager or VP of Student Services will compile a report of relevant information and determine whether disciplinary action is warranted. Adjudication, if warranted, will occur as outlined in Section 4.3 of this policy.
- 4.4.7.** The Accuser has the right to:
- A. Review and have explained all relevant policies and procedures.
 - B. Timely investigation of the allegations.
 - C. Have adjudication carried out in such a way that contact with the accused is avoided, including separation during hearing panels, interviews, etc., upon request.
 - D. Be accompanied by an advisor throughout the investigation and adjudication.
 - E. Participate or not participate in adjudication.
 - F. Not be asked questions that are not relevant to the incident, particularly regarding past personal conduct.
 - G. Challenge members of the hearing panel he/she believes will not be impartial.
 - H. Privacy in regard to educational and health records, in compliance with federal laws (Family Education Rights and Privacy Act and Health Insurance Portability and Accountability Act).
 - I. Be notified of the outcome of adjudication.
 - J. Appeal the decision of the hearing panel, as prescribed in the Student Code of Conduct.
 - K. Withdrawal from classes or extension of classes with consideration for tuition refund given due to emergency circumstances.
- 4.4.8.** The Accused has the right to:
- A. Review and have explained all relevant policies and procedures.

- B. Timely investigation of the allegations.
- C. Have adjudication carried out in such a way that contact with the accuser is avoided, including separation during hearing panels, interviews, etc., upon request.
- D. Be accompanied by an advisor throughout the investigation and adjudication.
- E. Remain silent throughout proceedings. However, remaining silent will not halt proceedings or prevent investigators from using other evidence and documentation to reach a conclusion.
- F. Not be asked questions that are not relevant to the incident, particularly in regard to past personal conduct.
- G. Challenge members of the hearing panel he/she believes will not be impartial.
- H. Privacy in regard to educational and health records, in compliance with federal laws (Family Education Rights and Privacy Act and Health Insurance Portability and Accountability Act) unless the accused is found to be responsible for the behavior and notification is pertinent to the campus community.
- I. Be notified of the outcome of adjudication.
- J. Appeal the decision of the hearing panel, as prescribed in the Student Code of Conduct.
- K. Withdrawal from classes or extension of classes with consideration for tuition refund given due to emergency circumstances.
